English, Swedish, Greek

### Career Summary

**Fullstack Web Dev Student**  
Nackademin  
August 2021 - Present

### Founder/Self-employed

SVØRN ([www.svorn.net](http://www.svorn.net))  
Apr. 2014 to December 2021

- Created my own men's fashion accessories brand.
- Worked remotely with product designers, sourcing companies and Asian manufacturers to develop and manufacture custom products.
- Used e-commerce and wholesale partnerships to get sales (70% of lifetime sales to US-based customers).
- SVØRN products were used in VOGUE Japan's editorial photoshoot (issue Aug. 2017)
- The web traffic of SVØRN's official e-shop (launched on October 2015) was in the top 1% of all Shopify-powered stores that launched the same week as SVØRN's e-shop (milestone reached on Nov. 2018).

### Interests

(things I like to spend my free time learning more about)

#### IT-related Interests:

Fintech, web3(Blockchain, DeFi, NFTs),

#### Other interests:

Personal Finance & Investing, Biking, Reading all kinds of books (Harari, Isaacson, Don Winslow, Scott Galloway)
